

PRESTIGE CLUB

AT HSFA

WHAT IS THE PRESTIGE CLUB?

The objective of the Prestige Club is to create a fund for the welfare and medical care of the aged who cannot afford it themselves.

WE BELIEVE THE PRESTIGE CLUB CAN...

Our belief is that the older person is an important and valuable part of any community. To maintain a positive self image, folk need to remain active in, and respected by, their community. Unfortunately, many older persons do not receive the necessary care and security essential to live a dignified life. We are here to provide just that and more, by taking their care to heart!

WHAT IS THE AIM OF THE PRESTIGE CLUB?

Our goal is not to compromise standards. We strive to provide continuous quality care to our very frail residents.

THE PRESTIGE CLUB OPERATES AS FOLLOWS:

Membership is R50 per month per ticket.

Monies are for charity—no administration fees are levied.

Syndicates of up to a maximum of 4 persons welcomed.

Membership allows for place in a quarterly lucky draw culminating in three cash prizes of:

First prize: R2000

Second Prize: R1000

Third Prize: R500

For many pensioners, their sole income is a minimal state pension. This pension is not enough for their basic needs such as housing, food, clothing and personal items. We need your help! The HSFA Prestige Club needs to find sponsors for residents who have no support system other than the community.
