

PROJECTS AND NEEDS AT HSFA

GARDEN VILLAGE COMMUNITY PROJECT

This is the HSFA community project in Garden Village. There are currently 30+ members in this Service Center. HSFA provides a decent meal and collects and drops them off at this Service Centre. Donations towards their food and travel cost will assist HSFA in providing these services. Or you could donate toward their arts & crafts, quarterly initiative or garden projects.

MEAL TICKET PROJECT

HSFA has a meal ticket system where residents can purchase a meal ticket and get a healthy, balanced meal, from our kitchens, delivered to them. You can donate towards the meal tickets and these tickets are then handed out to residents that are struggling financially. A number of free meal tickets are distributed monthly to qualifying residents.

FLAMINGO PROJECT

Flamingo is our specialised Alzheimers/Dementia wing, which is a closed unit. This is a fundraising initiative with the aim of continually upgrading the unit, and there are various ways of supporting this project. Either a cash donation for when we refurbish the unit (we have raised over R1.6m already for this project, or you can look at a specific item on the list, i.e. A new television set, curtains, furniture, etc.)

SUNBIRD PROJECT

The Sunbird Project is a fundraising project to support residents who have no family to support them or are financially disadvantaged. You can assist them with their daily needs through means of sponsoring a resident, donating library goods or hosting a birthday party.

DAILY NEEDS

Toiletries for our subsidised Frail Care residents who don't have funds for luxuries (or have no families or other support).

PRESTIGE CLUB

The objective of the Prestige Club is to create a fund for the welfare and medical care of the aged who cannot afford it themselves. Membership is R50 per ticket per month, which allows place for a quarterly lucky draw culminating in three cash prizes.

CHARITY SHOP

HSFA Charity Shop at Vonke Park is a fundraising initiative that you can get involved with by:

- Donating your old clothing, furniture and household items
- Volunteer to work in the Charity Shop
- Visit and support our shop by purchasing items

SNAPSCAN

Alternatively, please consider making a cash donation to our organisation and improve the lives of those within our care. You choose the amount you want to gift us with! **SNAP TO DONATE AND HELP US SUPPORT THE ELDERY.**
